General Information

Stewardship

This month is a very special time in the life of our church. On Sunday, November 22, we will acknowledge and celebrate all of God's blessings given to us through the work of Tustin Presbyterian Church.

It is also the day that each of us will respond to these blessings by making our financial commitment to the church for the coming year. The importance of this activity cannot be overstated. Your response coupled with the overall results of Celebration Sunday will determine what staffing, activities, programs and mission projects the church will be able to afford and implement during 2027.

You will soon receive a letter and a 2027 pledge card in the mail. Please give prayerful consideration and carefully reflect on your ability to financially support the work of the church in the coming year.
